This FREE Photo Pricing List Photoshop Template will showcase your photo and inform people about your prices in a beautiful way. It has an elegant design in fully customizable colors that can be modified to fit your brand as a photographer, making it a versatile piece of marketing to use over and over again to reflect current prices and packages. The pricing guide can be used as a general list of prices, as a template for wedding prices, family portraits, lifestyle photos and more. It includes a one page (or hand if you print two-way) with available photo packages, and also has a handy a la carte menu to list products your photos customers can buy, such as prints, albums, canvases and more. This photographer price list template for free keeps editable layers and places to easily insert photos into the use of Adobe Photoshop or Photoshop Items. The competition between restaurants is fierce and you have to pull all the stops to make it to the top. Read this guide to find out the most affordable but effective restaurant marketing strategies. Our goal is to make design simple and accessible to everyone, so we've created a 25-minute presentation that shows you how to create your own social media post. Not sure how to create your own brand outreach campaign? Read this comprehensive branding guide to get started on the right track. Free Photographer Pricing Guide!
